Compound layout showing proposed wave guide bridge and shelter

Please list any other attachments you have included with this application:

What are the next steps?

Upon receipt of your completed application, BC Hydro will complete an initial desktop review to evaluate the viability of your request. If your request is approved, we will provide a definition cost estimate for proceeding with a technical review.

Project declaration

By signing this Microwave Tower Attachment application form, the Licensee hereby reconfirms that it has complied with all the requirements of the MSA.

The Licensee confirms that it will obtain all necessary rights and authorizations, including but not limited to, public consultations, building and electrical permits, municipal permits and licenses, provincial permits and licenses and federal permits and licenses and agreement(s) from the current land owner(s) and/or land tenants/licensee(s).

The Licensee confirms their understanding that the application fee is non-refundable and all resubmissions will require a new application fee.
