

Have you disconnected electric service to your attachment(s)?

YES

NO

Disconnection of your attachment's BC Hydro distribution electric service account is your responsibility. This disconnection must be completed prior to the decommissioning of the site.

Shared Assets BC Hydro Edmonds B03, 6911 Southpoint Drive Burnaby, BC, V3N 4X8 transmission.attachments@bchydro.com	Date Form Submitted:	
	Carrier Name:	
	Carrier Project No:	
	Carrier Project Name	

The information gathered in this form helps BC Hydro estimate the scope of work and costs associated with the decommissioning of a third party's asset(s) attached to BC Hydro's transmission infrastructure.

All decommissioning work on BC Hydro's infrastructure will be undertaken by BC Hydro only after the Shared Assets Team approves the work. Please contact the Shared Assets Team if you have any further questions.
