### Attached Document Checklist

This checklist will ensure that you include all required supporting documentation with this submission.

#### Required Attachments (Engineered submission of proposed attachment including):

	General Plan Layout, including structure numbers
	Typical Attachment Configuration, including height and clearance
	Proposed Anchoring Configuration
	Proposed Attachment Specifications
	Photo of Each Pole for Proposed Attachment

**Please list any other attachments you have included with this submission:**

**Have you included the application fee payment?**

	YES	NO
Method of Payment	Cheque	EFT
Total Payment Amount (including 5% GST):		
Purchase Order Number (if applicable):		

**Please note that your application will only enter the submission queue for processing and review once funds are confirmed received.**

Please ensure that your payment amount includes 5% GST (unless exempt).

**BC Hydro GST Registration #: R121454151**

All payments to BC Hydro must be paid in advance in Canadian funds via cheque by mail or via Electronic Funds Transfer (EFT). If your company uses purchase orders, please submit a purchase order along with your application.

Please refer to the latest application fee rate card and instructional guide at [bchydro.com/attachtobchydro](http://bchydro.com/attachtobchydro). Please contact BC Hydro’s Shared Assets Team at [transmission.attachments@bchydro.com](mailto:transmission.attachments@bchydro.com) if you have any questions or you require assistance with your submission.

**Project Declaration**

We, the undersigned, acknowledge that the non-refundable application fee and the associated documentation are only for BC Hydro’s use as part of the viability assessment of this proposed project.
